In Division HS Coed, it is a coed league but some teams do not have any girls. So, the rule is, only 6 males on the field at a time unless two male only teams are playing each other.

7v7 coed team vs coed team would be at minimum 6 males + 1 girl vs 6 males + 1 girl

7v7 coed team vs male only team would be minimum 6 males + 1 girl vs 6 males (the male only team can only have 6 players on the field)

7v7 male only team vs male only team would be 7 males vs 7 males
